1. In spring of this year, the wreck of a former German naval transport was recovered. Since then it has been lying in the Arsenal canal in Szczecin (Stettin) where it has been made to float by filling up the holes with cement. 25X1  
 This wreck has often been referred to as an aircraft carrier.
2. Two Polish diving and recovery groups are working in the Przekop Mielenski canal on two German submarines which have lain there partly submerged since the war. 25X1
